

Object

```
graph BT; Array[Array] --> Object[Object]
```

A diagram illustrating a relationship between two data structures. At the top is a white rectangular box with a black border containing the word "Object". Below it is a gray rectangular box with a black border containing the word "Array". A blue arrow points vertically from the top of the "Array" box to the bottom of the "Object" box, indicating that "Array" inherits from or is a specialization of "Object".
